CALL FOR ARTISTS FOR STUDENT LEGACY PROJECT AT ART IN YOUR EYE FESTIVAL

Indoor Exhibit features student artwork at Art In Your Eye Festival

BATAVIA, Illinois – Batavia’s Art In Your Eye Festival, to be held August 14 and 15, is seeking area student artists to participate in the Student Legacy Project Exhibit, to be located in the City Hall Council Chambers during the two-day festival at the Batavia Riverwalk.

The Student Legacy Project was established at the festival in 2008 to encourage area high school and college artists and provide an opportunity for them to showcase their work. The exhibit will be featured alongside the juried City Hall Art Exhibit. Participation in the exhibit is free. Interested students are juried in by completing an application form and submitting high quality digital images of the artwork they wish to enter into the show. A variety of media will be accepted, including paintings, drawings, photography, ceramics and sculpture. An online application form and additional information can be found on the Website: artinyoureye.com/legacy_project.htm. The deadline for applications is June 4.

The two-day Art In Your Eye festival on August 14 and 15 also features an outdoor juried Fine Art Show, art exhibits, outstanding children’s art activities, artist demonstrations, and continuous musical entertainment on the Art In Your Ear Stage. The festival is sponsored by the City of Batavia, and organized jointly with Batavia MainStreet, Water Street Studios, and Batavia Public Library, with support from Batavia Park District and Aurora Area Convention & Visitors Bureau.
